# Access to NAB's Volunteering Program

## Guide for charities, community organisations & not-for-profits

For over 20 years, NAB has operated one of the largest corporate volunteering and giving programs in Australia. NAB's 30,000 colleagues use NAB Neighbourhood, a technology platform to create, donate to causes that matter most to them, take part in volunteering opportunities and organise their own volunteering.

This guide is to help your organisation access NAB's volunteering program.

### Be part of NAB's Volunteering Program

The NAB Neighbourhood team are here to help you advertise your volunteer opportunities and get NAB colleagues to sign up.

By requesting a volunteer opportunity, your organisation can:

- Access 30,000+ NAB colleagues nationally, who have a minimum of 16 hours general volunteer leave each year and unlimited skilled volunteering leave.
- Find volunteers to work with you face-to-face or virtually, for either short or long-term projects.
- Connect with skilled volunteers to help you with a huge variety of tasks, such as data analytics, strategy, marketing, or solve strategic problems.

### How to advertise your volunteer opportunities to NAB colleagues

- Contact the NAB Neighbourhood team at **NABNeighbourhood@nab.com.au** to get a copy of the Community Volunteering Standard Terms.
- Return the signed Community Volunteering Standard Terms to **NABNeighbourhood@nab.com.au**
- The Team will then provide a template to be completed with your volunteer opportunity so it can be uploaded on to NAB Neighbourhood for colleagues to sign up.

If you would like additional information, please email **NABNeighbourhood@nab.com.au** and one of the team will be in touch.
