THE ‘YOUR RESPONSIBILITIES – DUTY OF DISCLOSURE’ SECTION IS DELETED AND REPLACED AS FOLLOWS:

Your responsibilities – Your Duty to take reasonable care not to make a misrepresentation

You must take reasonable care not to make a misrepresentation to us.

This responsibility applies until we issue you with a policy for the first time or agree to renew, extend, vary/ change, or reinstate your policy.

You must answer our questions honestly, accurately and to the best of your knowledge. The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the policy. If you are answering questions on behalf of anyone, we will treat your answers or representations as theirs.

Whether or not you have taken reasonable care not to make a misrepresentation is to be determined having regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether you are represented by a broker, your particular characteristics and circumstances we are aware of.

If you do not meet the above Duty, we may reject or not fully pay your claim and/or cancel your policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and we may treat your policy as if it never existed.

If our information or questions are unclear, you can contact us via the details on the back cover or visit www.allianz.com.au/misrepresentation

WHAT YOUR POLICY IS MADE UP OF

Your policy is made up of these documents:

- this Product Disclosure Statement and Policy Document (PDS). The PDS is designed to provide information about the policy, to help you decide if it's what you need. We are required to provide a PDS under the Corporations Act;
- your Policy Schedule. Your policy schedule sets out who is insured, the cover(s) selected, the period of insurance, the premium payable, sums insured, limits of liability, excesses and other important information;
- any Supplementary PDS that applies; and
- any other policy documents we specify at or prior to entry into your insurance contract or when required or permitted by law.

The policy provides a number of covers which may or may not be provided to you as a retail client under the Corporations Act 2001 (Cth) depending on your circumstances. Only the parts of the policy document relevant to cover provided to you as a retail client and any other documents which we tell you are included at or prior to entry into your insurance contract or when required or permitted by law, make up the PDS for the purposes of the Act.

This PDS (together with any amendments, updates or endorsements that we give you in writing which may vary it when required or permitted by law) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

Updates to the PDS

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so.

We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy of any changes free of charge by contacting us using the contact details on the back of this PDS.

General Advice Warning

It is up to you to choose the cover you need. Because we and our representatives do not advise you on whether this policy is specifically appropriate for your objectives, financial situation or needs, you should carefully read this document before deciding.

What does it mean if I take the Accidental damage cover option?

The optional cover provides even more protection – it covers you against damage caused by sudden, unforeseen and unintended events not just the specified insured events.

Here are some examples of the sort of mishaps you'll be covered for if you take this option:

If you have Buildings cover

You accidentally smash a hole in the wall when you move some furniture.

Your kids draw all over your walls.

If you have Contents cover

You spill red wine on the carpet or lounge.

We'll extend cover for your contents anywhere in Australia for up to 90 continuous days (not just at the insured address).

This is a high level snapshot only. For information on what is covered and what is not covered – and for limits and excesses that apply – please read the whole of this PDS, your policy schedule and any other documents that make up your policy.

UNDERSTANDING YOUR POLICY

Which cover do I need?

Buildings and/or Contents cover – what's the difference?

Here's a brief outline of the difference between Buildings and Contents cover to help you decide the cover you need.

Buildings cover	Contents cover
<p>Designed to cover the physical structures that make up your home, like the house itself, garage, sheds, swimming pools and decks.</p> <p>Generally for customers who own a freehold home – like a house, townhouse, terrace or semi-detached dwelling.*</p> <p>See pages 18 to 19 for a detailed list of what we define as buildings.</p>	<p>Designed to cover items at your home – from furniture, appliances and white goods to personal belongings like computers, clothing and shoes. It also covers your carpets and window furnishings.</p> <p>See pages 26 to 27 for a detailed list of what we define as contents.</p>

* Customers with a strata, company or community titled property should consider whether they need buildings insurance as in some cases buildings cover may be the responsibility of the body corporate or similar.

How Buildings and Contents insurance work together

If you take out both Buildings and Contents insurance here's how they can work together if the unexpected occurs:

Your house burns down. You could lose all your buildings, and everything in them. With adequate sums insured under Buildings and Contents covers, you could rebuild and replace your insured belongings.

A fire damages your kitchen. You could repair or rebuild built-in damaged parts of your kitchen, such as benchtops, with Buildings cover. Then you could replace damaged items like blinds and kitchenware under your Contents cover.

A thief smashes your window, breaks the lock and steals your belongings. You can fix the window and lock through your Buildings cover and replace the items that were stolen under your Contents cover.

You will only have to pay the applicable excess(es) once if your buildings and contents are damaged by the same insured event. The applicable excesses can be made up of your basic excess, any voluntary excess, additional compulsory excess and an additional imposed excess of \$250 for earthquake and tsunami claims. (See "Your excess" on page 7 for details).

Do you rent your home out to tenants?

If you're renting all of your home out to tenants, cover is not available under a NAB Home and Contents Insurance policy.

Our Landlord Insurance can cover your investment property and any contents you provide for your tenants' use. It can even cover malicious damage by tenants. Cover is not available for these types of losses under our Home and Contents Insurance.

If you rent out part of your home while you live at the same address, please contact us so we can determine if you are eligible for this product.

For more information please use the contact details on the back cover.

THE BASICS

The better you understand your policy, the easier it will be if you ever have to claim.

Who your policy covers

Your policy provides cover (where applicable) for anyone named in the policy schedule as an insured and:

- your legal spouse or de facto (where you and your partner are living together in a genuine domestic relationship), or
- any member of your own family, and your spouse's or de facto's family who permanently live with you.

If there is more than one insured listed on the policy, then anything that any of the insureds says, does, or omits to do in connection with the policy or a claim applies to and affects the rights of all of the insureds.

When the policy starts and ends

The effective and expiry dates of your policy are shown on your policy schedule. We agree this period when you apply for your policy. In some circumstances the policy can end earlier than the expiry date e.g. cancellation by you or us. For more details, please see "Cancellation rights under the policy" on page 66.

72 hour exclusion period

To manage the risk of people taking out insurance on their uninsured home buildings or contents or increasing cover on their underinsured home buildings or contents when events such as cyclones, floods or bushfires are predicted, a 72 hour exclusion period applies to some insured events.

We do not provide cover (where the type of cover you have under the policy provides it) for any loss of or damage to your property caused by cyclone, flood, grassfires and bushfires, during the first **72 hours** after you first take out or increase the cover under the policy.

However, you will be covered from the time you take out or amend your policy for loss or damage to your buildings and/or contents caused by other insured events.

The 72 hour exclusion period won't apply:

- to renewals,
- when (on the same day the policy starts), you:
 - enter into a contract to purchase the insured address, or
 - move into the insured address as a tenant; or
- if the policy replaces another similar insurance policy that covered the same buildings, contents or both, without a break in cover. However, if there is an increase in the sum (or sums) insured between the new policy and the one it replaces, we won't cover the increased amount for the first **72 hours** of the policy.

14-day cooling off period

You can call us to cancel your policy within 14 days from either:

- the date we issued you a new policy, or
- the start date of a policy that you have renewed,

and in either of these situations, provided you have not made a claim or an event has not occurred that could give rise to a claim on your policy, we will refund your premium.

We may deduct from your refund amount any government taxes or duties we cannot recover.

In addition to your cooling off period, you can cancel the policy at any time by calling us. See "Cancellation rights under the policy" on page 66 for details.

How much you're covered for

It's up to you to decide the sums insured, and the type and level of cover that you want to take out. People generally want enough insurance to cover the property's estimated replacement value. If you don't have enough cover, you could end up having to cover some of the costs yourself.

Remember, we will only pay up to the amount of your loss or the sum insured, whichever is the lesser - so you should also be careful not to over insure.

For example, if you insure your contents for \$100K, and you have a total loss but the replacement value of the contents is only \$50K – we will only pay up to \$50K (the actual value of your contents if they are lost or damaged – and we won't refund any premium for the time we have insured any higher amount nominated by you).

Need help choosing the right amount of cover?

To help you estimate the replacement value of your buildings, visit us online using the contact details on the back cover and use our Home Buildings replacement calculator.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

You'll need to consider everything in your home to determine how much Contents cover you need. But remember, no matter what you decide to cover your total contents for, maximum dollar limits apply to many items in your home. The most you can claim for that item will therefore be this item limit – even if your item is worth more. In some cases if a higher item limit is required you can nominate a sum insured for specified contents or listed portable contents.

Your insurance premium

The cost of your insurance is called a 'premium'. Your premium will depend on a number of factors, and can change each year when you renew your policy or if you vary the insurance. Minimum premiums may apply. Your premium for each period of insurance will be shown on your policy schedule.

We'll calculate your premium based on a number of factors such as:

- **Your risk profile.**
 - where you live
 - the type of property you're insuring
 - the amount and type of cover you require
 - any other people also insured under the policy
 - the relevant claims history of the people being insured
 - the likelihood of a claim being made on your policy.
- **Any discounts that may apply.**
- **Any compulsory government charges** such as Stamp Duty and GST.
- **Emergency/Fire Services Levy** if they apply to the State or Territory where your home is located.
- **Any other charges** we tell you of.
- **The excess you choose or which we apply.**

No Claim Bonus

We give you a No Claim Bonus (NCB) to reward you for having a good claims history.

When you first take out a policy with us, we calculate your NCB based on your home insurance claims history in the previous 5 years.

After each claim-free year, the NCB applied to your renewal premium will be increased by 10%, to a maximum of 30%. However, for every claim you make in a year, the NCB applied to your renewal premium will be reduced by 10% – to a minimum of 0%.

Note that Portable Contents claims and claims paid under the additional benefit 'Food or medicine spoilage' when the cause of the loss is declared a natural disaster by the government, do not impact your NCB.

The NCB applied to your base premium is shown on your policy schedule, and is subject to the following.

What else you need to know about premiums

- Minimum premiums may apply.
- Any discounts or entitlements may be subject to rounding and may only apply to the extent any minimum premium is not reached.
- If you are eligible for more than one discount or entitlement, we also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts or entitlements.
- Discounts may not be applied to the premium for optional covers such as flood and portable contents (where applicable).

Did you know?

! You can choose to pay your premium by instalments – for example, by monthly direct debits from your bank account or credit card. We'll let you know the total amount payable when you apply for cover – and we'll confirm this in your policy schedule.

If an instalment is not paid, we will let you know and we will try to deduct the overdue amount along with your next regular payment on the next instalment due date. If the next attempt to deduct the outstanding amount and the next instalment amount fails, we will cancel your policy for non-payment. We will send you a notice advising you of cancellation and cancellation will be effective 14 days from the date on this notice. So it's important that you pay your instalments on time. If you can't, you should get in touch with us immediately.

Your excess

Unless we state otherwise in the PDS, you will need to pay the applicable excess(es) as a contribution to your claim.

So for example, if you have an excess of \$1,000 and make a claim for \$3,000, we'll pay the balance of \$2,000. We will only pay the claim if the claim amount is more than the excess(es) that apply. If we settle your claim by making a cash payment to you, we will deduct the excess from the amount we pay to you. In other circumstances, you may need to pay the excess as a contribution to the repair or replacement.

When you apply for cover, you will be asked to choose an excess amount from the available options. This can be made up of a basic excess, and a voluntary excess. Generally, the higher your excess amount, the lower your premium will be. In some cases, we may impose an additional compulsory excess which reflects our risk and underwriting criteria, you cannot vary or remove this excess.

The excess(es) you need to pay for each cover type is shown on your policy schedule, or referred to in this PDS.

An additional imposed excess amount of \$250 applies for each claim for loss or damage caused by an earthquake or tsunami, or a series of earthquakes or tsunamis, during any period of 48 consecutive hours.

For more information about how we work out your premiums, the excesses we apply to the policy and any discounts/entitlements you may be entitled to, see our Premium, Excess, Discount and Options Guide (PED).

To get a copy, visit <https://www.einsure.com.au/redirect/PED-FI-Home> or please contact us.

Changes to your details – what you have to tell us as soon as reasonably possible

You must tell us as soon as reasonably possible if, during the period of insurance:

- You start using any part of your home buildings for business, trade or professional purposes (except for a home office)
- you remove or stop using any security devices that were specifically required by us
- your buildings are in the course of construction or there are any alterations, additions, demolition, repairs to, or decorations of the buildings costing more than \$75,000
- you commence renting out your home to tenants
- your home buildings have not been lived in (or will not be lived in) for more than 60 consecutive days.

! If you don't provide this information as soon as reasonably possible, we may refuse or reduce a claim under the policy to the extent we are prejudiced by the delay or the non-disclosure.

Other changes:

You can also contact us if you want to vary your policy during the period of insurance for any other reason, for example to increase your sums insured or to take out additional cover options that may be available.

When we receive this information, we may:

- propose changes to the terms and conditions of your policy
- propose to charge you a higher premium
- cancel your policy if there is a change and we can't reach an agreement with you on altered terms and conditions or premium; or we are no longer prepared to insure you because there has been a material change to the risk
- decide not to offer to renew your policy.

When your home buildings are not being lived in.

We consider your home buildings not lived in when no one is living there. We consider the home buildings lived in when you or someone nominated by you have been living in the home buildings (eating and sleeping) for at least two consecutive nights. You may not be covered under this policy if your home buildings are not lived in for more than 60 consecutive days unless you have our prior agreement in writing.

We may (acting reasonably) ask you to prove that the home buildings are lived in, in the event of a claim.

Be prepared for a claim

When you buy your policy, it makes sense to set yourself up so that in the event you need to make a claim the process will go as smoothly as possible.

For example, for a Contents claim for a specific item, it helps to be able to prove that you owned the item – and what it was worth. So keep track of your receipts – either by filing them or logging them in a tracking app.

It's also a good idea to take photos of important contents and features of your home buildings, so you can get them repaired or replaced more easily if they're damaged or stolen.

WHAT YOU'RE COVERED FOR UNDER EACH OF THE INSURED EVENTS

In return for paying or agreeing to pay us your premium, the policy covers loss or damage to your buildings and/or contents caused by one or more of the following insured events that take place during the period of insurance. Your policy schedule will show if you have cover for buildings, contents or both.

In addition to the General exclusions on pages 47 to 50, there are some additional exclusions that apply specifically to certain insured events. Make sure you check these carefully in the following section so that you understand what you are covered for and what is excluded.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred to the amount we would have authorised had you asked us first.

BUILDINGS

Buildings > What's covered?

Buildings insurance is designed to protect the physical structures and fixtures that make up your home buildings: from the house itself, to your garage, fences and paved driveways – even built-in appliances like hot water systems, air-conditioners and more.

See the list on the following pages for a detailed description of what are Buildings as well as what are not.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

What's a Building (and what's not)

- anywhere in Australia, or elsewhere in the world, when you are temporarily outside Australia – provided you normally reside in Australia.

In addition, we'll also pay all legal costs and expenses you incur with our consent, for which you are legally liable, plus the cost of any lawyers we appoint.

If you have another Buildings or Contents policy with us, we'll reduce the amount we pay by the amount paid out by the other cover for the same liability, loss, occurrence or incidence.

What if? You're legally liable for damage.

If you're legally liable for damages to a third party, we may be able to help.

Firstly, you must not admit liability or promise to pay anything to do with the claim. That way we have the best chance of protecting you in the event of legal action. If you do, we may reduce or refuse your claim to the extent we are prejudiced.

If a third party tries to sue you for damages, we can take over and defend you. How we run any negotiations, proceedings and claim settlements is at our discretion. We will act reasonably having regard to your interests, and will keep you informed if you ask us to.

If you need to make a claim for legal liability, you can write and ask us to agree that you're covered for the claim. See Legal Liability Cover on page 44.

What if? You have to make a total loss claim.

If we pay your claim for the total sum insured for any part of the policy, or enough to pay for the total loss or destruction of all your insured property, that part of the policy will end.

For example, if thieves steal your laptop that you've insured for \$1,500 as a listed portable content item and we replace it, your new laptop won't be insured as a listed portable content item for the remaining period of insurance under the policy, unless you add it as a listed item and pay an additional premium.

If we accept your claim and pay you the total sum insured for your property, we'll deduct any unpaid premium from the amount we pay you.

For example, if you pay your annual premium in monthly instalments, we'll deduct the remaining premium for the rest of the year from your claim amount. That's because the premium is for a full year of cover – so even if you claim just a couple of months in, you still need to pay for the whole year.

If we replace or rebuild the property, you need to pay us the balance of any premium that you owe for that year.

Your responsibilities

During the claims process you need to take reasonable steps to co-operate with us, this may include;

- minimising any further loss or damage to your property or contents
- giving us access to your home at reasonable times and frequency so that a repairer or any other representative we choose can assess loss or damage to your home and contents
- providing us with information we reasonably request (which may include being interviewed by our representatives)
- providing us with documents we reasonably request to assist with the assessment of your claim – for example, bank statements, phone records, proof of ownership, notices or court documents.

If you do not take reasonable steps to co-operate with us we may not be able to progress or approve your claim, to the extent we are prejudiced by your failure to cooperate.

Our rights of recovery

We may be entitled to recover any claim that we've paid from the person or entity that caused the loss, damage or liability. We can decide to take legal action in your name to do so. We have full discretion in the way we conduct, settle or defend any claim made in your name. If we end up recovering more than we paid to you on your behalf, we'll pay you the balance. We will act reasonably having regard to your interests and will keep you informed if you ask us to do so.

How we settle your claims

Buildings claims

If we agree to cover your claim for loss of or damage to your buildings, we will pay the reasonable cost of repairing or rebuilding the damaged part of your buildings to the same condition as when it was new.

At our discretion (acting reasonably), we may:

- enter into a contract with a builder to repair or rebuild your home, or
- pay you the reasonable cost of repairing or rebuilding your home in cash or cash equivalent.

We will not pay the additional costs for materials to be matched to the undamaged areas of your home to have the identical appearance.

When it is not possible to use original materials during the repair or rebuilding process, we will make best efforts to use the nearest available equivalent to the original materials.

Unless we have agreed in writing, repair or rebuilding of your buildings must commence within six months of the loss or damage. If not, we will not be liable for any costs beyond the repair or rebuilding costs as at the date the loss or damage occurred. We will extend the six month period to the extent we caused or contributed to the delay in repairing or rebuilding your buildings.

What if you don't want to repair or rebuild?

If we have chosen to repair or rebuild your damaged buildings, but you don't want to repair or rebuild, at our discretion, we will pay you either:

- the reasonable cost to repair or rebuild your damaged buildings, less an amount for depreciation (based on the age and condition of the buildings), or
- the difference between the value of the land and buildings at the insured address immediately before and after the loss or damage occurred.

If the buildings are totally destroyed by the insured event and we agree to rebuild your home buildings, rebuilding may be carried out on another site provided that we agree in writing.

Special items

These items have additional settlement conditions:

- Dividing fences, which may include gates and free-standing walls: the most we'll pay is half the cost of repairing or rebuilding, after taking into account depreciation, based on its age and condition. If a dividing fence or structure is made of trees, shrubs, hedges, plants or similar vegetation compensation will be limited to the landscaping limit of \$5,000 noted under Buildings cover (if shown as insured on the policy schedule).
- Fixed wall, floor and ceiling coverings: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. When repairing or replacing the fixed wall, floor or ceiling coverings, we will make best efforts to use the nearest available equivalent to the original materials or items.
- Roof materials: repair or replacement is limited to the physical area where the loss or damage occurred. When repairing or replacing roof materials, we will make best efforts to use the nearest available equivalent to the original materials.

The most we will pay

The most we'll pay for damage to your buildings is the buildings sum insured, less any excess that applies (plus any additional benefits that may apply – see below).

We may also adjust your claims payment in accordance with the GST provision noted under GST Notice – see page 67 for details.

Additional benefits

We may also pay some additional benefits to help with other costs related to rebuilding your home buildings, including debris removal, surveyors' fees and more.

See Buildings cover – additional benefits on pages 20–23 for details.

Your cover after a claim

Partial loss

If your buildings are not totally destroyed by the insured event and your buildings sum insured is only partially used up in the repair or rebuilding of your damaged buildings, your buildings sum insured will remain as it was before the claim was made.

Total loss

If your buildings are a total loss or the total buildings sum insured is exhausted, then the buildings cover under your policy will end. However, your Legal Liability cover as owner of the property will continue until the earliest of:

- six months from the date the insured event caused the damage,
- when rebuilding starts at the site,
- when you sell the land, or
- when you take out a new insurance policy at the site.

If you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the buildings cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Did you know?

You may have obligations to your financier of a property that is under mortgage. Please contact your financier.

Contents and portable contents claims

If we agree to cover your claim for loss of or damage to your contents or portable contents, at our discretion (acting reasonably), we may:

- repair or replace the item (or items)
- reimburse you in cash equivalent, store credit or cash, (at our discretion) for the reasonable cost of repair or replacement of the item (or items), or
- reimburse you up to the amount of the sum insured of the item (or items).

We consider the reasonable cost of repair or replacement to be the retail price of the item as if it were new. We will not pay the extra cost of purchasing an extended warranty on any item.

For obsolete electrical appliances, such as outdated computers or TVs, we may repair or replace to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It may be a different brand.

For claims with multiple items, we may pay the claim using a combination of the above options.

Special items

These items have additional settlement conditions:

- Carpet, loose floor coverings, curtains or internal blinds: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. When repairing or replacing the carpet, loose floor coverings, curtains or internal blinds, we will make best efforts to use the nearest available equivalent to the original materials or items.
- Any part of a pair, set or collection: we will not pay more than the value of the part which is lost or damaged. No allowance will be made for any reduction in the value of the remaining part or parts of the pair, set or collection.
- Mobile phones and tablets: If a mobile phone or tablet is damaged we may choose to replace the item (or items) with a refurbished model of the damaged phone or tablet if it is available. We will not cover cracked glass or screens where there is no other damage to the item.

The most we will pay

The most we'll pay for loss or damage to your contents or portable contents is the relevant sum Insured (and any additional benefits that may be payable in addition to the sum insured – see below), less any excess that applies.

We may also adjust your claims payment in accordance with the GST provision noted under GST Notice – see page 67 for details.

Additional benefits

We may also pay some additional benefits to help with other costs related to your claim, including debris removal, emergency contents storage and cover while you're moving house (contents cover at the insured address and new address).

See **Contents cover – additional benefits** on pages 30–34 for details.

Your cover after a claim

Partial loss

If your contents are not totally destroyed by the insured event, and your sum insured is not exhausted by the claim, your cover will continue as follows:

General contents	Listed portable contents	Unlisted portable contents
Your sum insured will remain as it was before the claim was made.	If the listed portable content item is only damaged and we repair the item, then your sum insured will remain as it was before the claim was made.	If the limit of unlisted portable contents cover is not totally exhausted then your sum insured will remain as it was before the claim was made.

Total loss or contents sum insured exhausted

If your contents are a total loss or the total applicable contents sum insured is exhausted then the applicable contents cover under your policy will end unless you apply for additional cover and agree to pay us any additional premium we may require.

General contents	Listed portable contents	Unlisted portable contents
Your general contents cover under the policy will come to an end unless you apply for additional cover and agree to pay us any additional premium we may require.	If any item listed as a listed portable content item is totally destroyed or lost and we pay you for the item or replace the item it will be removed from your policy. You will need to re-list any replacement item and agree to pay us any additional premium we may require if you want the replacement item covered as a listed portable content item.	If the total sum insured you have selected for all unlisted portable contents per claim is exhausted then your cover for unlisted portable contents will end unless you apply for additional cover and agree to pay us any additional premium we may require.

If the contents cover under your policy comes to an end mid-term, if you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the applicable contents cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Cancellation rights under the policy

When you can cancel this policy

You may cancel this policy at any time by telephoning us.

When we can cancel this policy

We have the right to cancel this policy in certain circumstances, including where:

- you failed to comply with your Duty of Disclosure,
- you have made a misrepresentation to us prior to the issue of the policy,
- you have failed to comply with a provision of your policy, including a term relating to payment of premium,
- you have made a fraudulent claim under your policy or under some other contract of insurance that provides cover during the same period of time that the policy covers you, or
- where we are otherwise permitted to do so by law.

We will give you three business days' notice in writing of the date from which the policy will be cancelled, by:

- giving it to you or your agent in person,
- delivering it electronically where we are allowed by law, or
- posting it to the address last notified to us.

Cancellation costs

If your policy is cancelled, we may deduct a pro rata proportion of the premium for time on risk, and any government taxes or duties we cannot recover.

If you have made a total loss claim under this policy and we have agreed to the claim, we will not return any premium if the amount claimed exceeds the premium you have paid.

Renewal procedure

Each year on renewal, we'll generally send a renewal invitation and let you know the renewal cost.

For Buildings and Contents covers, we'll automatically increase the cover amount (the sum(s) insured), to help it keep pace with inflation and rising costs and help to reduce the risk that you will be underinsured. We recommend that you check the new amounts to make sure they continue to cover your full replacement values and to make sure your insurance still meets your needs. If you don't want us to increase the sum(s) insured, just let us know.

We will not adjust the sums insured for:

- Specified Contents
- Portable contents.

You need to review the value of these items to make sure your insurance still meets your needs.

If you pay your premium by direct debit, we'll automatically renew the policy and continue to debit your nominated bank account or credit card unless you tell us to stop.

If you pay your premium annually, you must pay the full amount by the due date shown on your renewal invitation in order for cover to continue.

GST Notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Sums insured

All monetary limits in this policy may be increased for GST in some circumstances (see below).

Claim settlements – where we agree to pay

When we calculate the amount we will pay you, we will consider the following:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/ limit of indemnity or other limits shown in the policy or in the current schedule.

If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

- Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – input tax credit entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

Governing Law

All disputes arising out of or under the policy shall be subject to determination by any court of competent jurisdiction within, and in accordance with the laws of the State or Territory where the policy is issued.

Failure to comply with policy conditions

If you do not comply with the policy terms and conditions, we may reduce what we pay you by an amount to take into account any disadvantage we suffer as a result of your non-compliance.
